Thank you letter

Dear Aunt Angela,

I am writing to thank you for the present you gave me. I opened it on Christmas morning, but I must confess that I had peeled back a corner of the wrapping paper two days before. I had just got home from school and Mum was on the phone to Aunt
5 Glenda, so while her back was turned, I gave all my presents under the tree a squeeze. I could guess what most of them were, but I couldn't resist a quick peek at the one from you. When Mum saw that part of the paper had been ripped off she was furious and accused me of doing it, but I managed to convince her that Poppy had scratched it with her claws.

10 When I was finally allowed to open your present, I pretended to be surprised. I think I should have been given an award for my acting! I tore into the wrapping paper like a wild animal and gave a dramatic gasp when I opened it.

I couldn't wait to play with your gift. I rushed into the garden, even though it was raining, and set up a goal post. I wanted to use Grandad's walking sticks, but they
15 wouldn't stand up by themselves, so I had to use one of Dad's garden gnomes and an upturned flowerpot instead. It was windy, so my first shot missed the goal by a mile and ended up near the shed, but my second shot hit the target fair and square! I ran around with my arms in the air to celebrate, just like the footballers on the television.

Thanks again for the new football. It was definitely my favourite Christmas
20 present this year.

Love from,
Anita
